

# Alternative Urban Areawide Review (AUAR) Process

*Throughout Minnesota*

The 106 Group has extensive experience assisting our clients with completing the cultural resources component of the State Alternative Urban Areawide Review (AUAR) process. Our work provides clients with a clear assessment of the potential for archaeological and historical resources in an area slated for possible future development.

Our work experience ranges from small to large development and planning projects located across the Twin Cities metro area and beyond. A selected list of our AUAR project experience is provided below:
